Estimated Duties and Taxes

- Certain countries have duty and tax exemptions that may apply based on the declared customs value. Your duty and tax estimate does not take these exemptions into consideration. [Learn more.](#)

More information about your results:

- Important for Customs:** To prevent delays, your shipment must have the following customs documents attached: Commercial Invoice, Certificate of Origin, Shipper's Export Declaration. Additional clearance documents may also be required. For more information, please visit our [international tools](#) site.
- For countries where zip/postal code or city name can be entered, it is recommended that zip/postal code be entered to obtain a more accurate number of available services.
- Multiweight rated shipment
- Dimensional Weight of your package(s) was used to calculate your rate.
- 134
- Rate does not include duties & taxes, clearance entry fees or other import fees. The payor of duties/taxes/fees will be responsible for any applicable Clearance Entry Fees.

Please note

- Rates shown here may be different than the actual charges for your shipment. Differences may occur based on actual weight, dimensions, currency conversion rate and other factors. Consult the applicable FedEx Service Guide for details.
- Looking for a better rate for your large, last-minute, international shipment? Please visit the [FedEx Great Rates Hotline](#).
- FedEx Multiweight pricing is available for multiple-piece shipments to one destination on the same day totaling 100 lbs or more for Express and 200 lbs or more for Ground. Multiweight pricing available via a contract only.
- Please do not use [FedEx Express packaging](#) for your FedEx Ground or FedEx Home Delivery shipments.
- Please refer to your pricing agreement for the surcharge specific to your account number.
- You can obtain rates for FedEx Ground shipments to destinations within the US and Canada. If you are in a FedEx discount program, contact your FedEx account executive for an exact rate quote.
- The rate and transit time application only uses city name or zip/postal code to define transit time.
- Certain commodities and high value shipments may require additional transit time for clearance.
- The rate and transit time application bases its transit time on zip/postal code over city when both are provided.
- "End of day" means the end of the FedEx business day for deliveries in the destination's time zone. The exact time may vary by destination.
- If you selected that your shipment contains a Letter, the transit time results that appear above are based on a letter shipment containing a personal or business letter with no commercial value. Annual reports, Brochures, and Newspapers are among a variety of documents
